

Swiss Matt 9710

Multilayer-coated inkjet paper

PRODUCT SPECIFICATION

Grammage	DIN ISO 536	90 / 100 / 120 / 140 / 180 g/m ²
Thickness	DIN 53105 T1	117 / 130 / 156 / 182 / 234 µm
Whiteness CIE	ISO 53145/2	173 %

SUITABLE INK SYSTEMS

- » Dye
- » Pigmented

APPLICATIONS

Graphic presentations, trade fair graphics, POS signage and poster prints

ADVANTAGES

- » Enhanced surface smoothness
- » High colour density and good line sharpness
- » Quick drying of dye and pigmented inks with excellent wet-smear resistance
- » Immediate encapsulation of pigmented black (no abrasion)
- » High scratch resistance
- » Good water resistance

AVAILABILITY

Jumbo reels

For more information, please contact us.

HANDLING

The paper has to be protected from moisture. Avoid marking the paper with fingerprints. Let the paper acclimatize in the printing room before unpacking. Ideal printing room conditions are 45% relative humidity and 23°C. A relative humidity of over 60% can affect the picture quality. Printouts with pigmented inks have to be protected from smudging for a short time until the pigments have completely anchored themselves in the coating layer.

SHELF LIFE

One-year guarantee under the following storage conditions:

- » In original wrapping
- » Stored in a closed room with a humidity of 40–50%
- » The individual roll must be stored in the printing room for one day before opening the wrapping to allow it to acclimatise.
- » Maxi Plotter/Poolbox: the guarantee is only valid if the rolls are stored on their original pallet.
The guarantee does not cover individual rolls.

IMPORTANT: The information given is based on our best knowledge at the time of printing. It is given in good faith and represents neither implied nor actual guarantee and no legal warranty for specific properties or for suitability for a specific application. Responsibility for testing the suitability of the product for specific applications lies with the purchaser. We shall be pleased to aid customers with such tests where possible. Should a claim be taken into consideration, liability will, under no circumstances exceed the value of the goods supplied. Cham Paper Group guarantees the impeccable quality of its goods in accordance with agreed specifications and their standard conditions of sale and delivery.
